

Biscuit Review by Lily.

Strawberry Delight

A very attractive appearance, with a delicious flavour inside. Although it was a bit of a surprise as I could not see what it looked like.

Milky Wheel

A fantastic decorative pattern, also filled with delight. It had a wonderful chocolaty taste.

Chocolate Ring

It's a double decker biscuit, coated with lovely, creamy white chocolate that melts in the mouth.

Golden Mystery

A lovely golden mystery, but I must say that flavour was a disappointment as it was a bit too strong.

Although I would have preferred it if I could have seen the biscuit before I unwrapped it.
