

Well done to all those children who have been reading and completing maths daily, we have loved giving out so many house points to those children! Please remember to read with questioning and complete daily KIRF's, signing/initialling both columns. Please also remind your child to remember to bring their reading diary to school every day.

Thank you for all your help and support with the settling into Year 2, we are so proud of the children's efforts to adapt to the new school year!

The next two weeks:

- In **English**, we will be moving on to **poetry**.
- In **Maths**, we begin of addition and subtraction topic focussing on 2 digit numbers.
- In **Science**, we will continue our learning about the properties of materials and material suitability - finding what material makes the best tea bag.
- In **Topic**, we are learning about some key figures in the development of communication technology.
- In **P.E.**, we are working on various ball skills, as well as developing our gymnastics skills.
- In **R.E.**, we will examine the question 'what do Christians believe God is like?'
- In **ART**, we have been looking at composition of natural materials.

Feeling Good Week 6th - 10th October 2025

On 6th to 10th October, we are celebrating Feeling Good Week with World Mental Health Day on Friday 10th October. Pupils will be participating in activities such as Feeling Good whole school homework and a focus on 'embracing emotions'.

On Friday 10th, it is Feeling Good Mufti with a colour theme - **YELLOW** for positivity! Helpful resources to support your family's wellbeing are:

<https://www.bybsurrey.org/resources-for-parents/ways-to-be-active>

<https://www.positive.news/>

<https://actionforhappiness.org/10-keys>

Thanks for your support and participation.

Spellings

Today, we have started sending home the children's weekly spelling pattern to learn. As mentioned at Meet the Teacher, the spelling sheet will be stuck in the homework diary on a Friday and the children need to complete a Spelling Bingo Grid activity by the following Wednesday please. (The bingo grid is stuck in the cover of the homework book).

We also recommend daily practice of the Spelling pattern and so give some examples of words using the pattern. Just a reminder the children are learning the pattern and corresponding rule NOT just the words.

Thank you for your help.

Have a lovely weekend,
Ms Gahan and Miss Westwood
