

Year 6 Learning Letter

Friday 26th September 2025

Edition No. 2

PSHE

We are delighted to say, the children continue to settle well into Year 6 life. Our PSHE programme will support them through Jigsaw and this term our work is about 'Being me in my world'. This is so important to help build both resilience as the children move through their last year in Primary school, ready for their future adventures and learn about the world around them and how they can positively contribute to their community.

Coming soon

English - finishing Holes and embarking upon play-scripts, focussing on Shakespeare's Romeo and Juliet.

Maths - continuing with revision of four operations: addition, subtraction, multiplication and division.

Art - as part of our block of work on North American animals, linking to our Science and Geography, drawing animals and using texture to add detail

Geography - exploring further on the geographical features of North America, recognising the difference between human and physical features. This is of course topical in Hurricane season.

Science - studying the classification of living things.

French - All about being at school.

Feeling Good Week - culminating in MUFTI on Friday 10th October. Wear something yellow for Positivity!

NAILS Please remember, remove the stunning colours at the end of the weekend.

COATS It is going to start getting cold - inside and out! When this happens, please make sure your child is warmly dressed as it is so important to get outside. As we know, our weather is unpredictable. A coat is essential at this time of year.

We are Year 6!

Our Year 6 house captains and vice captains are now beginning to take on jobs around the school as part of their new roles. This year we have reviewed these roles to bring new meaning to them, and our captains and vice captains will be collecting gold star scores each week, getting the hall ready for assemblies, awarding Key Stage 1 celebration certificates in assembly and sitting on school council.

There are still a number of roles and responsibilities available to everyone in Year 6 such as Sports Crew, stationary shop helpers & King Ball referees for Years 3 & 4.

Talking Teens

A 4 week workshop for parents of children in years 6-11

Talking Teens has been developed with Oxford psychologist and father, Dr John Coleman. The 4 week course aims to increase parents' understanding of teenagers' feelings and behaviour, and deliver key strategies for maintaining and improving relationships.

Tuesday 30 September
Tuesday 7, 14 and 21 October
19:30-21:30

Venue: Supported Learning Centre,
The Ashcombe School, Ashcombe Road,
Dorking, RH4 1LY

£15 - payable before the start of the course.
A reduced rate is available for any family on income-related benefits.
Course manual and refreshments are provided.

To book a place on this course, please get in touch
