

Year 2 Learning Letter

Friday 10 October 2025

Edition No. 3

Another well done to all those children who have been reading and completing maths daily, we have loved giving out so many house points to those children! Please remember to read with questioning and complete daily KIRF's, signing/initialling both columns. Please also remind your child to remember to bring their reading diary to school every day.

Next week:

- In **English**, we will be finishing our poetry topic on Edward Lear's The Quangle Wangle's Hat.
- In **Maths**, we are learning efficient addition and subtraction strategies, such as adding to the next 10.
- In **Science**, we are continuing to investigate the properties of different materials.
- In **Topic**, we will finish our learning by reviewing the whole unit.
- In **Music**, we will be exploring pulse, rhythm and pitch.
- In **P.S.H.E.**, we will finish our first jigsaw piece, Being me in my world with some reflection in our journals.

Ways to help your child

Games you can try with your children:

Splat 100 Square - this is versatile so the children can practice different skills with this game

Capital Letter Cricket

Our first 3 spelling patterns

So far, we have been looking at the spelling patterns for the 'j' sound

Spelt 3 ways - ('g', 'ge' and 'dge').

Look out for these with your children when they are reading. Any found that are recorded in the diaries can earn them house points and the class a class reward!

Just a reminder that your child should focus on these spellings throughout the week.

Please also help them to use the letter names not letter sounds when they spell words aloud.

Spelling Homework

Thank you to those who completed the spelling bingo grid activity in the back of the **orange** spelling book.

Please remember to complete writing in pencil.

WANTED!

Next week, we are planning a big Autumn draw. If you have any pumpkins, squashes or Autumn nature finds i.e. conkers, please do bring them in throughout next week, ready for next Friday.
