10th October 2025

Dear Parents and Carers,

Year 6 Bikeability - Level 2 Cycling Course

Surrey County Council provides 'Bikeability' training to primary schools, with the Level 2 course being aimed at Year 6 pupils. Bikeability Level 2 is aimed at helping pupils to achieve the necessary skills for independent cycling on quieter roads. Pupils start training in the playground, progressing to the road if and when they are deemed to be safe to cycle in traffic. From the outset, bicycles must be roadworthy and legal for use on the road (this includes being fitted with a rear red reflector). Safety helmets must be provided and worn throughout the training.

Surrey County Council has a team of professional instructors who are accredited to the National Standard for cycle training and have undertaken First Aid and Safeguarding Awareness training. Unfortunately, due to Bikeability restrictions there are limited spaces available. Places and payment can be made by using the following link. When you finish enrolling, you should receive a confirmation email from Surrey County Council cycle training team.

https://surreycycletraining.online/public/school_training/111738/

Please note that enrolment closes on **3rd January 2026 at 9am.**

The courses will take place during the week commencing 2nd February 2026, for approximately 1 1/2 hours a day. This is not a compulsory course but if you would like your child to take part, the cost is **£15.00** per child (or free if receiving free school meals) and your child must be able to ride a bike.

All participants must:

- Have a legal, roadworthy bicycle;
- Bring a padlock and key to lock their bicycles;
- Wear a correctly fitting bicycle helmet;
- Bring tracksuit bottoms / joggers and a lightweight waterproof.

Bicycles may be stored overnight at school.

Yours sincerely

School Office
