Year 4 Residential to High Ashurst - October 2019

Dear Parents,

Following the success of last October's Year 4 visit to High Ashurst Outdoor Learning Centre, preparations are being made for our next visit in October. We will be travelling the short distance to High Ashurst on **Wednesday October 16th**, staying for two nights and returning on **Friday October 18th**.

One of the High Ashurst managers is visiting North Downs on **Monday January 14th** to talk to you about our visit and what they have to offer. The meeting will begin straight after afternoon pick-up in the hall (3.30pm) and your child is more than welcome to attend with you. The meeting will last approximately 30 minutes.

You can also have a look at Surrey's website about High Ashurst. You will find it at:

www.surreyoutdoorlearning.uk

(click on **Our centres**, then select 'High Ashurst').

We look forward to seeing you on the 14th

Regards,

Mr S Wade
