Dear Parents, Carers and Children

It was wonderful to welcome so many parents to our Open Mornings last week. A huge thank you Miss Spear, Mrs Glanfield, Mrs Al-Doori and Mr Fisher who joined us over the two mornings, to offer some parental support at the events. The stars of the morning were most definitely our Year 6 'greeters and guides' who performed their roles in an exemplary fashion, with virtually every parent visitor commenting upon how polite, well-mannered and articulate they all were - it was evident how proud they are of their school and we are incredibly proud of them!

This week we have all been celebrating Anti-Bullying Week, with assemblies and activities in class based around this year's theme - 'Power for Good'.

Yesterday was Kindness Day and this morning our School Councillors led our school assembly celebrating all things 'Children in Need'. It was an opportunity for the School Councillors to introduce themselves to the whole school and we will be uploading their biographies, along with the information regarding their focus for the year, onto the school website...look out for updates.

As part of the Assembly today, Daisy, one of our Year 6 pupils, shared a poem she had written about Kindness, Her words are so beautiful - we wanted to be share them with you in this Newsletter...well done Daisy.

We now find ourselves in the run up to our Christmas activities - dates are included in this Newsletter but there will be more information coming out to parents nearer the time.

Kindness

Kindness is the key to everything if kindness wasn't here we would all be doomed. kindness is like a long snake that travels through buildings , towns , cities , earth and even the whole universe .But the kindness snake is invisible so even when you think it's gone it will always be there (so no hiding) ! The kindness snake is like a little dog that follows you everywhere and it will never leave.

So just remember kindness is the key to unlock the door!

Remembrance

Some of our Year 5 children were invited to join members of the British Legion, the Church and village community at Christ Church, Brockham for our two minutes silence at 11.00am on 11th November 2025. An incredibly moving moment as this year celebrates 80 years since the end of WW2.

Fantastic Fundraising

Elliot in Year 5 undertook a run to raise money for Children in Need. He raised a fabulous £30 in sponsorship!

He completed the 5k run in the wind and rain along Exmouth esplanade during half term. His time was 24 minutes and 12 seconds which was a personal best!

Well done Elliot!
