

As the weather begins to turn, please ensure your child has a coat with them and a change of shoes; preferably wellie boots for outdoor learning. Outdoor learning can happen at any time and not just on the allocated days. We welcome hats, gloves and extra socks too!

We will be learning?

- English - Writing a short narrative to the John Lewis advert Edgar
- Learning songs and words for our Christmas assembly
- Maths - 2D and 3D shape
- Science - Animals including humans
- History - Who was Guy Fawkes and why is he famous?
- RE - Why is Christmas so important to Christians?
- DT: Designing and making Christmas decorations
- Phonics - ea e-e ie/ ey/ y (beat, these, field, key, donkey)
- Computing - How to login to the computer. Parts of the computer
- Gymnastics, Outdoor Games and Flamenco dancing

Year 1 Christmas Play

We will be hosting the Year 1 play at Brockham site on Thursday 11th December. We would love all children to come into school on this day in a Christmas jumper. If you do not have one, please do not worry, we have plenty of tinsel to go around at school!

We have been so lucky to hire a marquee again, as we have done in the past, to provide cover for the children and parents. We are very much looking forward to seeing you there but please do remember to **wrap up warm** and **wear sensible shoes!** We will be outside and on the grass, so we are certain, given the wintery weather, it will be cold and muddy.

In addition learning their lines, they will be singing three songs, Away in the manger, We Wish you a Merry Christmas and Jingle Bells.

Please see video links below to practise with your child.

Away in the Manger: https://youtu.be/AnwO_0DrpCk?si=GcyrR7ZzYFrv9gWt

We Wish you a Merry Christmas: https://youtu.be/a-PBixvD_GU?si=2SQZISOBKli1f7wj

A note went out last week regarding a small clear glass jar for our new unit of work based on the John Lewis advert Edgar the Dragon.

In preparation for this we kindly ask that children bring in a small clear glass jar (e.g. Jam jar) and Christmas ornament that can be placed inside ready to make a snow globe. Due Monday 24th November 2025.
