

Year 4 Learning Letter

Friday 21st November 2025

Edition No. 5

Respect

Compassion

Responsibility Courage

Winter Weather

As the more wintery weather has now arrived, please make sure your child brings in their coats as it can feel pretty bleak on the playground at times. Have a lovely weekend everyone.

We are Learning

Maths - Multiplication and division B
- multiplying by 10, 100 and 1000.

English - non-chronological reports
on Orchestral families, then onto
poetry.

Science - Sound

History - Romans leaving Britain

Computing - Repetition in shape

R.E. Islam - How does worship show
what is important to Muslims?

PE - Dance and basketball

PSHE - Celebrating Difference

French - The Romans

Art - Exploring Pattern

KIRF - I know the 9 and 11 times
tables

The Sound of Music

Year 4 have been captivated by learning about different orchestral instruments over the last two weeks. We are weaving together learning about the science of sound and what different stringed, brass and woodwind instruments are like. To give you the heads up, later in the term we will be giving out homework to design and make a pitched instrument. We had the lovely Ben visit us on Wednesday to give the children a presentation of the trumpet and a brief introduction to the trombone.

Christmas Carols

We are busy practising for our 'Christmas under the Stars' event on Wednesday 10th December 5pm. Please let us know if your child is unable to attend. For homework, we would like the children to practise singing and signing 'Calypso Carol' (see link below) and their class song or words.
