

Friday April 26<sup>th</sup> 2019

Dear Parents,

Technology Club is returning for the Summer term. The club will run between **Tuesday 7<sup>th</sup> May and Tuesday 9<sup>th</sup> July, (there will not be a club Tuesday 2<sup>nd</sup> July as that is induction day)**. Each session will begin at 3.15 and end at 4.15pm. There will be 16 places available. If there are large numbers of applicants we may split the group into two groups, each having 4 weeks, we will of course let you know if we decide to do this

This term the focus will be on coding using **Scratch 3**, the updated version of a free programme we use in school and can be accessed at home. There will also be an opportunity to explore what Scratch 3 can be used to operate/activate using the Microbit mini-computer.

16 spaces will be available.

This Club is open to years **4-6**.

If you would like your child to be considered (names out of a hat if there are more applications than places), please fill in the slip below. **You will then be notified if your child has a place.**

Thank you,

Mrs Blumire
