

*Be the best you can be, every day*

3<sup>rd</sup> May 2019

Dear Parents/Carers

**Year R Betchworth - parents' tour of Leigh**

To assist in making the September transition for Owls to a new village site a smooth one, later this term you will receive details of your child's induction day - when they will spend the day at Leigh in their new class and with their new class teacher.

As we are aware that this is also a change for you, we are inviting parents and carers of Owls to join us for an adults-only familiarisation visit to Leigh on Thursday 13<sup>th</sup> June 2019.

Anyone who would like to avail themselves of this opportunity should just come to the Leigh school office at 7pm, no booking is required.

Thank you.
