

Education City log ins are stuck in your child's reading diary. Please help them to log into the website and explore.

### Over the last two weeks we have been:

- Starting our topic on "Our Wild World"
- Going on a wild walk and reading Wild by Emily Hughes.
- Writing simple sentences using capital letters, full stops and finger spaces.
- Making some wild art and looking at the work of Goldsworthy.
- Changing our reading books independently.
- Learning about place value and more and less than.
- Thinking about animals and living things and finding out about ourselves.
- Naming different parts of our body and exploring our senses.

### PLEASE REMEMBER...

- Named coats/jackets are needed every day.
- Please make sure your child can change themselves independently, including turning their clothes the right way round.
- All children must have a water bottle every day.  
*We appreciate your support with this!*

As you are aware, Waitrose in Dorking has chosen our school as one of their green token charities during September. Please could you continue to spread the word amongst friends and family and help us by supporting this great initiative - raising money for a sensory garden to be enjoyed by the whole North Downs community.

Remember Maths Week all next week.

We'd like some more child friendly maths games for Monday morning if you have any?

### Over the next two weeks we will be:

- Discussing what is the same and what is different about each of us.
- Interpreting and investigating number lines, 10s frames and 100 squares.
- Thinking about the weather and changes around us.
- Looking at non fiction texts to find out about wild animals.
- Making posters and identifying the features of information texts.
- Going on a 'wild safari'.
- Researching facts about reptiles ready for our Curriculum day on the 18<sup>th</sup> October!
- Ordering object and numbers, looking at more or less than a given number on a number line.
- Recognising ordinal numbers
