

MATHS WEEK!

Next week is maths week. During the week, the children will be taking part in lots of fun and practical activities that will provide them with new and exciting experiences as well as supporting them in developing key skills and mathematical thinking.

During Maths week, we would love you to come into the classroom to join in with a maths investigation with your children. This will be on Tuesday 1st October from 9.15 for up to an hour. We hope you can make it!

Swimming

Swimming has started and the children have been enjoying their lessons. We still need help with swimming, particularly in Flamingos. If there are any times you are able to help, please sign up, you will need to have a DBS check in place. Thank you to those people who have already signed up - we are very grateful. Please ensure that your child knows when they swim so that they have their kit in school on the correct day. This must include a swimming hat (goggles are optional).

FONDS COIN CHALLENGE

Mon 30th Sept - Thurs 24th Oct

Each class has a coin jar in their classroom and are competing against each other. The aim of the challenge is to be the class who raises the most money! There will be a KS1 and KS2 winner who will get to choose new games/activities for their classroom.

Please check your pockets, handbags, sofas and encourage your kids to save their coins! Please note we are only collecting 20p, 10p, 5p, 2p and 1p coins.

Thanks for your support,
FONDS TEAM

We Are Going to Learn About...

- Addition and subtraction
- Simple sentences and punctuation
- Adjectives
- Daily life in Ancient Egypt
- Skeletons of animals and humans
- French greetings
- Scratch Computer Program

Green Tokens

Waitrose in Dorking has chosen our school as one of their green token charities during September. Please could you continue to spread the word amongst friends and family and help us by supporting this great initiative - raising money for a sensory garden to be enjoyed by the whole North Downs community.

Internet Safety

The children have been revisiting how to keep themselves and others safe whilst using the internet. They have all now signed the KS2 e-safety Rules and have been made fully aware of the importance of following the rules. You will find our School Online Safety Policy on the School website.

To access more information, including the video used in class, please visit <https://www.thinkuknow.co.uk/> You will find it within the 5-7 link button.

Reading Diaries

Thank you for listening to your child read at home

Please can we remind you to initial their reading diary each time they read. If your child is a free reader, then they may bring a book in from home to read.
