

### What will we be learning about:

- Adding and subtracting numbers with up to three digits, using formal written methods of column addition and subtraction.
- How the Pyramids were built and who the Egyptian Gods were.
- Skeletons of animals and how they are different.
- How to describe characters for a mystery adventure story.
- Continuing our introduction to French, including how to greet one another.

## Year 3 Learning about Mummification

### Homework

Homework is always linked to recent learning and is pitched at a Year 3 level. Its purpose is to reinforce prior learning. It should take no longer than 30 minutes and should not become an arduous task for any adult. This should be child led and completed in pencil, with minimum support, unless otherwise stated.

### Outdoor Clothing

As you are aware, many of our lessons take place outside the classroom (LOtC), so that we can take advantage of the wonderful outdoor areas we have around the school. Your child therefore needs to have in school; a warm waterproof coat, jogging bottoms or alternative trousers, suitable for all weathers and muddy conditions, gloves (preferably gardening gloves) and a hat if desired.

### Swimming

We still need help with swimming, in Flamingos. If there are any times you are able to help, please sign up. You will need to have a DBS check in place. Thank you to those people who have already signed up - we are very grateful

### Parents Consultation

We look forward to meeting you all to discuss how your child has settled in to Year 3.  
Please book online.

Tuesday 22<sup>nd</sup> October 5.00 pm - 7.30 pm

Thursday 24<sup>th</sup> October 3.30 pm - 6.00 pm.
