

**Welcome to issue 3 of our learning letter. When this goes live, we will be on our countdown to High Ashurst, where we will experience a range of fabulous activities, eat our body weight in food and, sadly, probably witness Mr Wade dancing to YMCA (counselling will be available)!**

**For High Ashurst (sorry parents) but you will need to practice putting a quilt cover onto a duvet and making your bed!! This will be your first job when you arrive at your luxury chalet 😊**

### Outdoor Clothing

**As you are aware, many of our lessons take place outside the classroom (LOtC), so that we can take advantage of the wonderful outdoor areas we have around the school. Your child therefore needs to have in school; a warm waterproof coat, jogging bottoms or alternative trousers, suitable for all weathers and muddy conditions, gloves (preferably gardening gloves) and a hat if desired.**

### Key Learning Update

- English - deep into our planning of our own version of Wind in the Willows - aided by our inspirational river walk.
- Maths - finishing off place value, culminating in a unit assessment. Next up will be addition and subtraction. Our wonderful maths week was a real success and encouraged more enthusiasm in the subject.
- Our river walk was specifically designed to enable the children to see our local environment, take in the nature and scenery of the river Mole and produce an initial sketch ready for our watercolour session next week.
- Science - we have been exploring different ways to protect our wildlife in the local area.
