

Welcome to the latest edition of the Year 4 learning letter.

We would like to take this opportunity to congratulate all of the children for their fabulous Christmas performances - I think you will agree that it is the best show we've done. The singing was amazing and they all spoke clearly and with expression, without forgetting any lines!! They were all BRILLIANT 😊

During the Christmas break, it is important that the children continue to practise their times tables for accuracy and rapid recall. These are an essential cornerstone of success in maths.

Many thanks for your continued support.

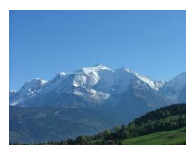

Coming Soon

In English we are going to be studying the above book. We will be writing in a range of genres and be making our own Iron Man in DT!

In Maths, we will be continuing with multiplication and division.

In Topic, we are beginning our study of the Alpine region.

OUTDOOR CLOTHES REMINDER.

Now we have all of our fantastic grounds to play and explore in, it is essential that the correct clothes are available. Thankfully, most children do have these in school. However, as is typical of our beautiful British weather, there are lots of muddy areas and super splashy puddles. As a result, there are lots of children putting on wet and dirty clothes. Could we please request that if clothes are very muddy and wet, that they are taken home and a change of clothes are available. **PE Kits are not allowed to be used for these times.** Many thanks.

Reading diaries to be checked and signed EVERY WEEK by parents/carers.
