- My child will be collected at the stated time

Emergency contact: Name _____ Number: _____

Signed _____ Date _____

School policy on after school activities 2019 - 20

Information for parents

- 1. No child may attend an after school club or activity without written consent from the parent.**
- 2. Once consent has been received children are expected to attend the club or activity each week.**
- 3. If for any reason a child cannot attend, a verbal or written message to the teacher or the external club leader is required. This is extremely important as we have had occasions when children have not turned up to a club when expected. Teachers do not have time during a club to make a phone call home to check. If a child repeatedly fails to turn up for a club, they may be asked to leave the club.**
- 4. If we have to cancel a club or activity in advance, the teacher or external club leader will be responsible for ensuring that every parent is contacted by phone, parent mail or e mail, whichever is the most appropriate. If a club has to be cancelled on the day, parents will be contacted by the school office. If any parent cannot be contacted, the child will remain on the school premises under the supervision of the member of staff responsible for the activity and will not be dismissed until the published finishing time of the activity.**
- 5. External club providers are responsible for contacting parents if a club needs to be cancelled.**
- 6. We do not expect children to remain on the school premises for an unreasonable amount of time after the club or activity has finished. Should this happen more than twice the parents will be informed that their child can no longer take part in the activity. Staff will be responsible for children until they are collected.**
- 7. Parents who do not wish their child to continue a club should inform the teacher or external club leader in writing.**
