

Friday January 10<sup>th</sup> 2020

Dear Parents,

This term, as we have done before, we are giving two opportunities to join us at our Technology Club. Having smaller groups will allow us to give more support to more complex projects. The Club will run between 3.15 - 4.15 on Tuesdays in the computer suite. The first block of sessions will run between **Tuesday 21<sup>st</sup> January - Tuesday 11<sup>th</sup> February (4 weeks)** & the second sessions between **Tuesday 25<sup>th</sup> February - Tuesday 31<sup>st</sup> March (6 weeks)**. The first half of term we will be doing **animation** & the second half of term we will continue exploring coding projects using programs like **Scratch, & the BBC Microbit**. If you have your own BBC Microbit do bring it along, but please name it! There will be 12 spaces available for each group. This Club is available to years 4, 5, 6

If you would like your child to be considered (names out of a hat if there are more applications than places), please fill in the slip below. You will then be notified in the usual way regarding a place. Your child can apply for both but if we are over-subscribed we will try & ensure every child that applies get at least one place, so please indicate first & second choice.

Thank you,

Mrs Blumire, Mrs Knapp, Mr Berwick,
