

Our next topic takes us on a journey back to the Anglo Saxons and the Celts. The children will learn about customs, religion, dwellings, habitats, important battles and much more.

RE

How does the Bible reveal God's plan?
How does Lent help Christians prepare for Easter?

Next up in English...

INSTRUCTIONS

It is imperative☺ that the children learn and understand how to follow instructions - apologies in advance, but they will write and follow instructions on how to make a paper aeroplane!

(Not actual size)!

Maths

Continuing our journey into fractions, adding and subtracting, simplifying and counting.

Now, get excited...following on will be decimals☺

Now in science...

SOUND

We began by doing some learning outside of the class room, recording decibel levels around the school using a Learnpad App.

PE & games kits should be in school every day. This is especially important as we are now focusing on the opportunity for more outdoor learning experiences that at times will require the children to be in their PE/games kit.

Dorking Rugby club will be coming in to teach the Tag Rugby Lessons as they have in previous Years. They will attend a block of 6 sessions each 50 min long.

Dates are as follows and all Tuesdays:

25th Feb, 3rd March, 10th March
17th March, 24th March, 31st March

The lessons will run as follows:

Macaws - 1.20-2.10
Parrots - 2.10-3.00

Dorking coaches encourage the children to wear football/rugby boots if they have some, if not trainers will be fine and normal PE kit.
