## Ways to help your child

- **English:** Try some of the word classes games on EducationCity - [https://go.educationcity.com/content\\_select/index/4/1/1/2/#/](https://go.educationcity.com/content_select/index/4/1/1/2/#/)
- **Maths:** Please ensure your child is confident and secure with their number bonds to 10 and to 20. These are integral for their automaticity during maths lessons. <https://www.topmarks.co.uk/maths-games/hit-the-button>

## Spelling patterns

We have looked at adding the suffixes '-ing' and '-ed' to root words ending in e. Next week, we will be adding suffixes '-er', '-est', '-y' to root words ending in e. Rule: If there is a consonant before the 'e', drop it and add the suffixes.

## Homework

Please ensure that you complete both the topic homework, and weekly spelling homework using the bingo grid.

## KIRFs

This half term's KIRF is:  
multiplication and division facts for the **5** times table.

## Reminders

House points will be on offer for anyone who has completed daily KIRF's, so remember to fill in your KIRF column!

Have a lovely weekend,
