

Coming Soon...

English: we will be finishing our biographies.

Maths: we will be continuing our unit on algebra

Science: the circulatory system

R.E.: we are starting our new topic on Islam

Geography: we are starting a new unit on sustainability

Computing: we will start looking at spreadsheets using Excel and learning about online safety with the Breck Foundation

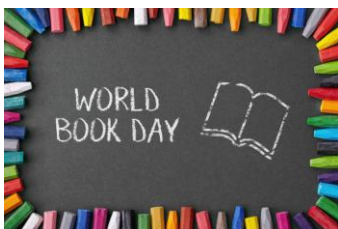

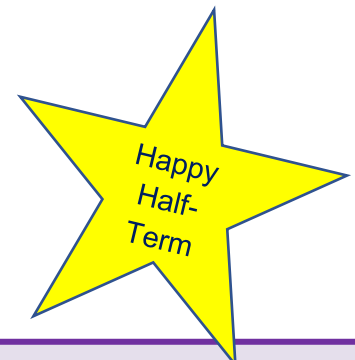

March 5th 2024

We will once again be taking the Year 6 children to the Junior Citizen event at Epsom Downs, racecourse. This is a multi-agency safety event aimed at Year 6 children, designed to provide children with life skills, which will enable them to keep themselves and others safe. We are delighted that FONDS have again agreed to fund this trip. Permission letters are being sent out today and we do need these back before we can take the children for this superb morning.

Bikeability

We would just like to say a huge well done to all of our Year 6s who took part in last week's Bikeability training. Each day of the week, the instructors made a point of saying what a wonderful group we have; their listening was superb, they followed instructions to the letter and they showed HUGE resilience to keep going through a horrible week of bad weather.

This year, we are celebrating this great day on **Friday 6th March...** On the day, we invite the children to dress as a favourite book character. There will be book related activities throughout the day and we would like to invite Year 6 to bring in their favourite book to both read and share with their class.
