

# North Downs Home Learning Projects and Activities We are aware that not everyone has access to a computer. Most activities your child can do without a

computer but we have also provided online activities for your child to access if they so wish. It has been lovely to receive photographs of work children have done so please keep them coming in. Simply email them over; we love seeing them and we will do our very best to reply personally to anyone that sends work in.

Weekly Maths Tasks	Weekly Writing Tasks (Letter Writing)
(Aim to do 1 per day)	(Aim to do 1 per day)
Apologies for the incorrect link last week. We are	Over the course of this week, you are going to find out
still doing the Year 1 work!	about carnivorous plants that live in the rainforest.
Warm up 5 mins over a day focus on quick recall of	Suggested plants to look at are the Venus fly trap and the pitcher plant.
Warm up 5 mins every day - focus on quick recall of number bonds and fact families (6+4=10 so 4+6=10	Make a booklet; you will need to spend one day making
and 10-6=4 and 10-4 =6. Please continue to focus on	the front cover with a colourful illustration and
this half term's KIRF ( x and ÷ facts for 10x table).	heading
