## 2020 national curriculum tests

## Key stage 2

## Mathematics <br> Paper 2: reasoning

This is the Key Stage 2 Mathematics Paper 2: Reasoning. You will need a pen and something to record your answers on.

- You must not use a calculator to answer any questions in this test.
- You have as much time as you need to answer these questions.
- Follow the instructions for each question.
- Work as carefully as you can. If you need to do working out, you can use the space around the question.
- Some questions have a method box. For these questions, you may get a mark for showing your method.
- If you cannot do a question, go on to the next one. You can come back to it later.
- If you finish before the end, go back and check your work.
- The number in the bottom right corner of each page tells you the number of marks available for each question.
- If you have any questions during the test, feel free to send a message to Mr Wade.
- You can talk to each other.
- You may now start the test.

Mark your work very carefully and record your score here:
