Packing for Camp

twinkl

Today, we are learning to write words that contain **ou**
saying /ow/.

Kit and Sam were very excited because tonight they were going on their first ever Beaver sleepover. They were going to camp in the woods with some of their friends!

Mum helped Kit and Sam pack their rucksacks for the trip. They had a long list of things to bring! “Do not forget to pack these,” said Mum as she handed Kit and Sam a water flask each.

“Do we have to bring a sleeping bag?” **asked** Kit. “I want to sleep out under the stars!”

Mum replied, “A sleeping bag is on the kit list. I think you might be glad of it when it gets cold in the night.”

Sometimes the /ow/ sound can be spelt with an **o** and a **u**. Together they make **ou**.

“I am going to bring my favourite teddy,” Sam said to Kit and Mum. Mum smiled but Kit did not hear Sam because he was crouched down on the floor by the bed.

Kit was busy playing with the torch his Dad had given him. He needed to bring it with him on the camping trip. Mum had not noticed what Kit was up to.

Kit took a moment to respond. Then, he shouted from under the bed, "it is here! I was just testing the torch out." He stood back up and smiled.

"OK, pop it into your rucksack. It is time to go," said Mum. Sam smiled, "I am super excited for our camping trip!"

Today, we have learnt...
