

WALT describe in detail the similarities and differences in a variety of roots, and to relate these to the function of roots

WILF

- I can record observations and information in drawings and writing.
- I can describe similarities and differences in roots.
- I can describe the function of a root.

Looking at roots

How does a set of roots make a plant healthy?

Why is it difficult to pull out a plant from the soil?

Are all roots the same?
