

Year 3 Learning Letter

Friday 1st May 2026

Edition No. 13

Slowly, the weather starts to brighten and warm up during our start to our Summer term however, we have been grateful for some sun and Year 3 have been taking advantage of the improving temperature! On that note, as we move through the Summer term, please do send your child into school with a sun hat and water bottle every day, as we will take every opportunity we can to be outside!

The next two weeks:

- In **English**, we finish our unit of autobiographies by writing our own.
- In **Maths**, we begin learning about money.
- In **Science**, we consolidate our learning from Nower Wood, looking at the parts of a flower.
- In **P.E.**, we are practising for KS2 Sport Morning and Maypole Day!

Spelling Pattern

30/04: add the suffix '-tion'.

07/05: add the suffix '-ation'.

14/05: add the suffix '-sion'.

Maypole

Toucans and Flamingos are extremely excited to bring you their rendition of the *Lucky Seven* as performed by Year 3 annually. Pay extra attention to the counts of 7!

Maypole will take place on **Brockham Green** on **Thursday 21st May**, beginning at **1.30pm** and we hope to see many of you there!

On Maypole Day, please send your child to school in their **school uniform and trainers** (Year 3s will need a school jumper or cardigan too).

Please do let us know as soon as possible if you have a planned absence for your child on the day, as it really helps us with organising the dance.

Thank you, see you on The Green!

Tennis Coaching

We have been lucky to receive some free tennis coaching sessions from Reigate Tennis Club for Year 3. Please may the children come to school in their PE kit on **Monday 11th** and **Monday 18th May** for these sessions. Thank you!

Homework

Thank you for all your support with the children's autobiography facts! This week, we have only sent home spellings to focus on. Next week, we will send out our Half Termly Maths Challenge which will be focussed on telling the time.

Nower Wood

Well done to Year 3 for their hard work and brilliant knowledge on our trip last week! We were so blessed with the weather and the children had a fantastic time in the woods, role playing as seeds and birds; investigating and identifying trees by their leaves; and quite a lot more!

Thank you so much for your help in getting them to and from the site and a huge thank you to our parent helpers for their *invaluable* support!
