

Penguin Puppet Craft

Level 5

Kit and Sam like penguins.

Create your own penguin puppet!

Instructions:

1. Use the black card to:
 - cut out an egg shape for the penguin's body;
 - cut out two flippers.
2. Use the orange card to:
 - cut out a heart shape for the feet;
 - cut out a triangle shape for the beak.
3. Fold the body in half.
4. Cut a small slit near the bottom of the fold.
5. Push the spoon through the slit.
6. Glue the heart-shaped feet onto the bottom of the body.
7. Glue on the flippers, beak and googly eyes.

You will need:

- A white plastic spoon
- Black and orange card
- Two googly eyes
- Glue
- Scissors

To complete your penguin puppet, give it an **ea** name (it can be a nonsense name). Share its name with your teacher.
