

ea saying /ee/

Kit's Book

Today, we are learning to read words that contain **ea** saying /ee/.

The graphemes 'e', 'ee' and 'ea' are all used to spell the /ee/ phoneme in words such as 'be', 'bee' and 'bead'. There is not a consistent rule for when to use 'ee' or 'ea' so children will need to learn which grapheme to choose.

Kit and Sam were meant to be getting ready for school but Kit was distracted! “What are you doing?” asked Sam.

Kit turned the book around to show Sam the page he was reading.
“This page is all about seals,” he said.

Sometimes, **ea** can make the /ee/ sound.
