Weekly Phonics/Spellings Tasks Weekly Writing T	asks
Here are your new spellings for this half term: We are going to continue our pre	eparation for
Bronze Age, Iron Age, circle, perhaps, caught, writing an adventure/mystery ste	-
minute, fruit, guard, forward, guide, appear, that we produce 'writing of exce	•
enough. Make it your mission to learn two of going to proceed step-by-step and	-
these each day. Get someone in the house to test different elements.	
you. • This week we will focus on chara	acter descriptions
a copy of the Year 3 spelling rules. Read through that could feature in you this loaflet. Find areas that you feature	
this leaflet. Find areas that you feel unsure 2. Think of all the elements	-
about. Can you challenge yourself to explore describe when thinking of these rules?	
these rules? physical appearance, per	rsonality,
This week we are going to add suffixes - that likes/dislikes, etc	- t
begin with a vowel (er, ed, ing) - to words with 3. Will you base your chara	cters on people
more than one syllable. you know?	

	The words that we will investigate are: garden,		4.	Give your characters names.		
	limit, offer, benefit and focus.		5.	If you like, you can use the templates		
	In each of these words we do not stress the final			provided in the resource folder (on the		
	syllable and the rule is that we do not double the			school website).		
	final consonant.		6.	To help you further, you could use, 'Words		
	For example: garden		•••	to help with your character descriptions'		
	gardener			(on the school website).		
	gardened		7	There are also some images of characters		
	5		7.	5		
	gardening			(on the school website) that you could use		
	Now your task is to add the 3 given suffixes to		•	as a prompt.		
	the remaining words. Record your findings in your		8.	Use your notes to create a paragraph that		
	workbook.			describes each character.		
•	Try writing your words, using a different colour	•	Remen	nber to select adverbs and other vocabulary		
	for each syllable eg gar <mark>den</mark> er		careful	ly to help you to achieve the desired effect.		
			How do	you want your reader to feel about this		
				ter? Are they Scary? Funny? Heroic?		
				nined? Smart? etc		
Learning Project - to be done throughout the week: Stone Age						
(aim to complete two or more tasks if you can)						
History						
Í						
•	Read the PowerPoint on 'Hillforts'.					
	• Watch those video clips:					

• Watch these video clips:

https://www.youtube.com/watch?v=Uu9bLT9I9fl

https://www.youtube.com/watch?v=j6rCMTOss\_k

https://www.youtube.com/watch?v=kxlbczNR9a8

You have two weeks to make an interactive book about hillforts (an interactive book means that every page will have a flap that lifts to reveal something important).

### <u>Science</u>

- Read the PowerPoint on 'Mary Anning .'
- Watch the video clips:

https://www.youtube.com/watch?v=Of5sK8p2rZY https://www.youtube.com/watch?v=qNOh-85\_Dmc

• Use the differentiated 'Palaeontology Reading Comprehension' Activity Sheet to learn more about Mary Anning. There are 3 different levels -most of you should be able to do the 2-star level. If you want to challenge yourself, complete the 3-star level.

#### Computing

- Over the next couple of weeks, we'd like you to have a go at Programming Programming is the process of designing and writing a set of instructions (a program) for a computer in a language it can understand. This can be simple, such as a program making a robot toy trace out a square, or incredibly sophisticated, such as those behind search engines and weather forecasting.
- Please see the PDF activity documents on the website to learn more about algorithms. It would be lovely to see some photos of you trying these.

# <u>French</u>

• Watch the video clip and learn the song to help you with remembering the days of the week in French. <u>https://www.youtube.com/watch?v=pc7wjOm7Anc</u>

### Be Active (Recommendation at least 30mins of exercise a day)

- 'Active Surrey' has created some 'Physi-Fun' activity videos that can be played inside or outdoors using readily available household items. Why not give them a go? Here is the link: https://www.youtube.com/playlist?list=PLHNgNkrvuoxQWHYiF7DZeTxur\_EQ-TkTA
- Another one from 'Active Surrey' they are setting a weekly challenge for you to try at home. This week is 'Strike a Pose'. Again, you will find the PDF for this on our website. There will be a new challenge from them each week.
- 'Daily Mile' Why not challenge yourself to walk or run a mile every day? Work out a route near where you live. Or, how many laps of your garden, or a room in your house do you need to complete a mile? Then... off you go! In the resources there is a tracker you can use to record your miles.

## 30 Days Wild in June

- Here are some more '30 Days Wild' activities for you to have a go at:
  - 1. Read a wild book Find a book about wild creatures and read it outside. It could be fiction or nonfiction.
  - 2. Watch a wildlife webcam.
  - 3. Search for mini wildness Lichens, forests of moss or flowers in the pavements.
  - 4. Plan a nature quiz Write a quiz and share it with family and friends.
- It would be lovely to hear what you have been up to for '30 Days Wild', so remember you can add things on the blog or email us.

## **TEAMS MEETINGS - PREPARATION**

For our second 'Teams Meeting' - We would like you to prepare the following items ready for discussion:

- 1. Your paragraph that describes a setting.
- 2. Any artwork you have done during your time at home, or photos of anything you have made or baked.

Maybe you might also come up with an idea to add to our agenda for future meetings. Be ready to say what you think or send us your suggestions.
