

Year 5 Revision-What Is Parenthesis?

Parenthesis is the addition of extra information or an afterthought in our writing.

It can be a word, phrase or clause marked with brackets, dashes or commas.

When a parenthesis is removed, the sentence still makes grammatical sense.

e.g. I moved to Sheffield in 2011 (when I was six years old).

still makes sense as:

I moved to Sheffield in 2011.

The Adventures of Beetle Boy

By day, Beetle Boy is a normal boy, **called Billy**, who attends a normal primary school. But by night, he becomes the toughest superhero the world has ever seen – **even stronger than Iron Man** – and spends his time fighting villains. His shell is so strong (**possibly made out of space rock**) that he is able to withstand anything hitting him – **even a bullet** – without even the slightest bruising.

If his friends ever realised the amazing powers he has (**super strength, flying and walking up walls being just three of the many**), Beetle Boy would be asked to show them off every day at school. He knows that, as a superhero, he has sworn to keep his super powers a secret, **which he doesn't always find very easy**, and use them only to protect the world from evil.
