

Maypole

Please can the children bring in their trainers every day, in a bag, ready for our regular Maypole dancing practice. If your child will not be in on Thursday 21st May then please can you let us know.

We are Learning

Maths - Time then moving onto Shape.

English - Explanation texts using our Rivers topic.

Science - Classification of plants and animals, including vertebrates and invertebrates.

Geography - Rivers

Computing - Coding

R.E. - Thematic unit - Humanism - how do non-religious people celebrate new life?

PE - Athletics, swimming, maypole dancing and golf

PSHE - Relationships

French - Au salon de thé (at the tea room).

KIRF - I know the multiplication and division facts for the 12 times table

Transition to Year 5

Another letter will be coming out shortly to explain the transition up to Year 5 with the classes splitting and being mixed up. Please look out for this information and the choices form coming over the next couple of weeks.

Times Tables

The MTC (Multiplication Tables Check) in June is quickly approaching. We are very proud of the effort that Year 4 have made to learning their times tables facts this year. Use this link if you would like more information about the MTC.

<https://www.gov.uk/government/publications/multiplication-tables-check-information-for-parents>

TTRS

Please support your child to continue using Times Tables RockStars regularly. We are now focusing on the 'Sound Check' game. This is valuable practice for the MTC which is carried out in the same format on a computer. They will be given a mixture of 25 questions and given 6 seconds to answer. Any questions about this please ask. Some children have been given more targeted homework to help support the learning of their times tables this week.
