Sharing stories: Letter writing template

Instructions:

Use the template to help you structure and write your first draft of a letter to someone of your own age in your chosen country.

Talk about your ideas first with a partner and use the prompts to help you with ideas if you need them. Make sure you have your research notes with you to ask some great questions.

Things to think about	Paragraphs
1. Have a picture in your mind of who you are writing to (girl/boy?). Introduce yourself. Explain why you are writing.
2. Tell them something about yourself, your family and what sports you like. Explain what sport means to you. Perhaps share a sporting memory.
3. Tell them about your research and why you are interested in their country. Ask the questions you'd like to know about the sport you have chosen and what sport means to them. Do they have a special sporting memory?
4. Ask them to write back to you with any questions they might have for you.
