

# Year 6 Learning Letter

Friday 15<sup>th</sup> May, 2026

Firstly, we would all like to say a **HUGE WELL DONE** to all of our Year 6s for their incredible hard work, bravery and perseverance this week. We could not be more proud, and we now look forward to continuing our learning with the children through to July, in a more relaxed, post-SATS way!

## Coming Soon!

**Maths** - We will be carrying out some outdoor maths investigations following everyone's hard work during SATS week.

**History** - carrying on with our unit on World War 2.

**Science** - We will be finishing our unit on electricity

**English** Continuing to use English in all areas of the curriculum and working to produce our final pieces of writing for end of year assessments.

**PSHE** - We will be completing the bulk of our unit on Relationships, as we missed a few lessons in order to focus on SATS revision

**Art** - We are using World War 2 as inspiration for small art projects, starting with creating propaganda posters

**PE** - The children have been preparing for the Summer Sports Days; in addition to participating in KS2 activities, some children will be running a number of the KS1 events and offering support to the younger children.

### Chessington

A massive thank you to Mrs Clark and her stationery shop; all the volunteer shop assistants also deserve congratulations, for their diligent work over the year, which have enable this fabulous trip. We are all very much looking forward to it.

Thank  
You

### **Bowles - Residential**

We are really looking forward to our three days at Bowles Outdoor Centre. We are currently arranging groups the rooms at night and making last minute tweaks to the itinerary - it looks like we are going to be VERY busy during our time there with kayaking, orienteering, skiing, rope work and the 'leap of faith' among the activities planned!

### Evacuation Days

As part of our history unit on WW2, we will be having two days of 'evacuation school' on 2<sup>nd</sup> & 3<sup>rd</sup> July. We would like the children to come in 1940's dress and we will be teaching the curriculum in a more formal, historical style! More details to follow in the next learning letter...
