

A Guide to Being a Druid

I can understand how evidence about the Druids can give us different answers about the past.

Making people better

When the Celts were ill, they visited the Druids because...

Making important decisions

The Druid's opinion was more important...

Speaking to the gods and goddesses

The spirits were in the lakes, trees and springs but only the Druids...

Making sacrifices or offerings

The Druids were responsible for making offerings to...

Predicting the future

The farmers relied on Druids to tell them...

Sorting out problems or arguments

If there was a problem in a tribe, the people turned to their Druids to...

The Romans described the Druids as menacing (scary) and strange. Why do you think this was?
