

Year 6 - Week commencing 06.07.20

In preparation for the many changes ahead, we thought a set of new teachers might be fun. In September, there will be so many names to learn - and not just new friends! Try the lessons from **Mr and Mrs Fozzard, Miss Harrison, Miss Simkin and Miss Roberts.**

**Weekly Maths Tasks**  
(Aim to do 1 per day)

Warm ups:

- [Times Table Rockstars](#). - every day, for at least five minutes!

Main activity:

Maths lessons -

<https://www.bbc.co.uk/bitesize/dailylessons>

Start by watching the White Rose clip and then look at what Bitesize offer for consolidation, following up with the activity sheets / games that they recommend.

Here's what's on the menu for this week:

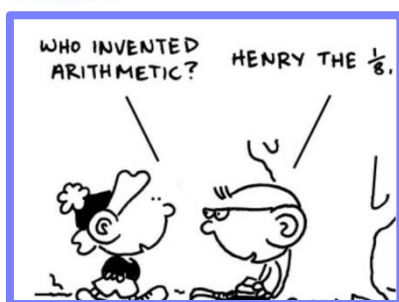

**Monday** - Calculate angles, including vertically opposite angles

**Tuesday** - Angles in triangles

**Wednesday** - Angles in quadrilaterals

**Thursday** - Angles in polygons

**Friday** - Challenge of the Week

Have you been keeping your arithmetic skills sharp? Sharp and speedy too? Might be time to put them to the test! Have a go at one of the **Year 6 Arithmetic** papers and see just how much you've remembered.

There are six levels of difficulty to choose from, ranging from **Beginner** through to **Genius**! Allow yourself half an hour and no peeking at the answers first!

Pit your wits against the clock in a game of Countdown! Try a version of the game here:

**Weekly Reading Tasks**  
(Aim to do 1 per day)

Geography Reading again!

This week there are two quizzes:

- Countries of Europe
- .... and closer to home
- Counties of England
- a bit trickier!

Libraries are opening up again, so time to catch up on some new summer reading.

Weekly GPS Tasks (Aim to do 1 per day)	Weekly Writing Tasks (Aim to do 1 per day)
<p>During the online English lessons, <b>Mr Fozzard</b> will test your spellings. Good Luck!</p> <p><u>Memory training</u> .... is a useful and fun activity. Try some of the games on the attached sheet. Spellings and rules really are the results of good memory training.</p> <p><u>Correct use of parts of speech matter</u> Here is your chance to show how well you can play with good language. As you are coming towards the end of your time in North Downs School, take time to reflect. What are your 'special memories'? It is easier to think about the small moments: making a new friend; losing a tooth; falling over; something funny, sad or just lovely. Complete the <b>Memories</b> sheet and send it back to us so that we can all share and enjoy.</p>  <p>Here is the challenge: There are 8 key points in writing: Can you write a memory of your time at North Downs using examples of each of these: <b>Noun, verb, adjective, adverb, conjunction, pronoun, proposition</b> and if your writing is really fun add in an <b>interjection</b>.</p>	<p>Follow the week 5 Oak Academy English sessions.</p> <p>Day 1 is here: <a href="https://classroom.thenational.academy/lessons/diary-entry-lesson-3-identifying-features">https://classroom.thenational.academy/lessons/diary-entry-lesson-3-identifying-features</a> You should work though all five days, Monday to Friday. Science	Geography
<p>In our topic on Inheritance and Evolution, you have spent time thinking about how what has happened in the past has led us to where we are today. Now it's time to think ahead and consider: <b>What impact are humans likely to have on life in the future?</b> Try science with <b>Miss Simkin!</b> <a href="https://classroom.thenational.academy/lessons/what-impact-are-humans-likely-to-have-on-life-in-the-future">https://classroom.thenational.academy/lessons/what-impact-are-humans-likely-to-have-on-life-in-the-future</a></p> <div> <div data-bbox="129 1346 352 1384">Global warming</div> <div data-bbox="105 1395 384 1682">  </div> <div data-bbox="480 1346 692 1384">Pollution</div> <div data-bbox="448 1391 722 1671">  </div> </div>	 <p>Lots of you will have enjoyed going on long walks and bike rides during lockdown. Did you plot your route using a map? Maybe it was an OS map! Learn more about the way geographical features are represented using the <b>Ordnance Survey Symbols</b> activity sheet.</p> <p>See how many you can spot on the <b>Map of Betchworth</b>.</p>
MFL	MUSIC
 <p>In Secondary you will start new subjects, which will be really exciting. Why not try a taster of a new language. Perhaps you can already speak Spanish! Let <b>Miss Harrison</b> guide you along.</p> <p><a href="https://classroom.thenational.academy/lessons/el-alfabeto-y-los-numeros-f6be74/activities/1">https://classroom.thenational.academy/lessons/el-alfabeto-y-los-numeros-f6be74/activities/1</a></p>	 <p>Have a go at music lesson with <b>Miss Roberts</b> She is great fun and will get you involved, for certain!</p> <p><a href="https://classroom.thenational.academy/lessons/exploring-emotions-in-music-7353de/activities/1">https://classroom.thenational.academy/lessons/exploring-emotions-in-music-7353de/activities/1</a></p>

## Starting secondary school

Have a look at some of the video clips on the BBC Bitesize website, specially designed to help you prepare for secondary school by answering some of the questions that you might have. Masses of good advice, and hints and tips from young people, who are ready to share their experiences of life in a new, much larger school and a more grown up environment.

Sarah Whitefield from the School Nurse Team has also sent through a PowerPoint on Year 6 - 7 Transition which aims to help you recognise some of the feelings and emotions that you may have about moving to secondary school, as well as helping you identify ways of managing them and suggesting who you might talk to for help and support.
