

North Downs Home Learning Projects and Activities

Year 1 - Week Beginning 13th July 2020

As this will be the last Home Learning Letter for the term we thought we would use a book about change and moving on. We would like to take this opportunity to thank all of you for your continued support with all the home learning, it has been gratefully appreciated. We hope to see as many of the children as possible at the induction session on the Monday the 20th July, where all the children get to meet their new teacher and hopefully have a chance to say goodbye to us.

Weekly Maths Tasks (Aim to do 1 per day)

Warm up 5 mins every day - focus on quick recall of number bonds and fact families ($6+4=10$ so $4+6=10$ and $10-6=4$ and $10-4=6$) as well as the \times and \div facts for $10\times$ table. Please continue to focus on this half term's KIRF (telling the time to o'clock and half past).

Weekly Writing Tasks (Letter Writing) (Aim to do 1 per day)

Monday- Walt: Listen to a story through song.

Answer the questions attached. This can be done through discussion, but if you would like to write the answers then please do so.

<https://youtu.be/ILRrb5L0nM4>

Tuesday-Walt: Write a thank you card.

Imagine you are the boy in the story. Write a thank you card to Puff explaining why he has been such a good friend. Talk about some of the adventures you have had. Think about what Puff was like as a dragon friend. What do you look for in a good friend?

Wednesday- Walt: Correct punctuation and spelling. (Improve handwriting)

Puff has tried to write out the song lyrics but has made a few mistakes. Can you rewrite the song remembering to include punctuation and correcting any spellings? See Wednesday's correction sheet.

Thursday- WALT: Write a description.

Look closely at the picture. Describe the characters and setting using some amazing adjectives. What are they doing? Remember to use verbs. Try to extend each sentence with some conjunctions.

Tuesday

Telling the time - half past

- Have a go at the questions below
- Match the times to the clocks.

Half past twelve

Half past 2

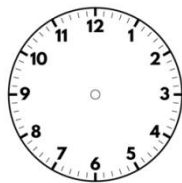

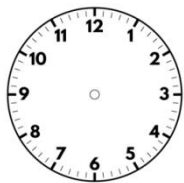

Half past nine

Draw the hour hand and the minute hand on clock faces to show these times:

Half past 1

Half past four

Half past 8

Wednesday

Writing and measuring time

- Use a stopwatch to measure how many times you can do the following activities in 20 seconds:
 - Star jumps
 - Write your name
 - Hop on the spot

Would you measure the duration of the activities in seconds, minutes or hours? Sort the activities into three groups: seconds, minutes and hours.

Brushing
