Christmas Eve

To my friends,

I am sorry for all the mess I have made today. I know you are all sad because my fire burnt things.

I am sorry for melting the ice rink. I didn't think it would melt.

Ice skating looked so much fun and I wanted to join in but my fire melted the ice. I am sorry to all the children who fell in the water.

I am also very sorry for burning the Christmas tree in the village. I tied a scarf around my nose but it did not work. I got too excited when I saw the Christmas tree and my fire blasted out of my ears. I felt so sad and I ran home.

When I felt sad, my best friend looked after me. She came to my house and we made a plan!

I want to make everyone happy so I have made a surprise for you all. I will bring it to the Christmas feast.

See you soon,

To all my friends in the village,

I am writing to say how sorry I am for all the trouble I have caused today. I know you are all very angry with me for ruining your Christmas fun.

The problem is when I am excited, I can't control my fire and it burns things. I am trying hard to fix it, but I think I will need help from my friends.

I am sorry for melting the ice rink in the village. I don't know how it all happened. I just remember seeing the twinkling ice and hearing my friend's giggles and I wanted to join in. So, I ran as fast as I could, leapt on to the ice and twirled around. Before I knew it, the ice had melted! I am sorry to all the children who fell in the water.

I am also very sorry for burning the Christmas tree in the village square. I knew I would be so excited when I saw the giant tree, so I tied a scarf around my nose. It didn't work. Once I saw the beautiful tree and all the decorations I got so excited that the fire just blasted out of my ears. Once I smelt the burnt twigs, I knew what had happened. I felt so sad that I had to run away.

I felt so sad and lonely but my best friend didn't give up on me. She followed me home and we have made a plan! I want to make it all up to the village, so I have made a surprise for you all for the Christmas feast. Please don't be frightened of me, I know I can control my fire with the help of my friends.

I can't wait to show you my surprise! It will be very tasty!

See you soon,
