

Welcome back to our last half term of Year 2. It honestly has whizzed by, and we are so proud of each and every Woodpecker and Kingfisher for their efforts towards their education this year! We have loads in store this half term, so please stay tuned for the last few weeks of the year.

The next two weeks:

- In **English**, we will be continuing to enjoy writing Traditional Tales with a twist!
- In **Maths**, we will finish learning about time before we move onto position and direction.
- In **Science**, we continue our unit on Habitats.
- In **Topic**, we will link with our Science unit and learn about hot and cold places.
- In **P.E.**, we will be finishing off our athletics, and enjoying sports day!
- In **D.T.**, we will be designing a miniature playground.
- In **P.S.H.E.**, we begin our final Year 2 jigsaw piece, 'Changing Me'.

Spellings

We have practised adding '-tion' to root words. There are no rules for these spelling patterns. Next week, we will be looking at homophones (words which sound the same but are spelt differently). We are also looking at near homophones (words that sound similar but have different spellings).

KIRFs

Our last KIRF for Year 2 is:
telling the time.

All information for this can be found on the school website. It is extremely beneficial to all children to help them with reading analogue clocks. Thank you for your support!

Have a go at these interactive games to test your child's knowledge!
