

Year 6 Learning Letter

Friday 12th June, 2026

Maths - We are now enjoying a variety of maths games, activities and investigations using our maths skills in different areas of the subject

History - We will be finishing our work on World War 2, looking at the end of the war.

English - Continuing to use English in all areas of the curriculum and working on narrative writing.

Science - We are starting a new unit on how to maintain a healthy lifestyle.

PE - Athletics, cricket and rounders

Transition - We are starting to look at our transition booklets to ease this process.

PSHE - Changing me

Bowles Rocks - Residential

It is now just over a week before we depart for our trip to Bowles, and the weather is looking pretty good. However, this is Britain so we still need to be prepared for any weather eventuality so clothing to suit both the heat and the unseasonable cold, we have recently experienced, will probably be necessary.

The children who will be remaining at school will be working on a variety of special projects, while enjoying their role as senior pupils!

Bowles - Medication

If your child requires medication, please hand it to us in a bag, clearly marked with the child's name and detailed dosage instructions. Staff will be in the hall on Monday morning to take this from you and to discuss any requirements.

WE CANNOT ACCEPT MEDICATION FROM THE CHILDREN- AN ADULT MUST SIGN THE FORMS.

When medication is handed over please bring this information:

- **Name and strength of medicine**
- **Exact quantity supplied** (e.g. number of tablets, millilitres of medicine)
- **Expiry date**

A Reminder of Dates for your diary.

Leavers Disco:
5:30-7:00 p.m. 20th July

Leavers Assembly:
9:15 21st July- tissues at the ready!

Dragon's Den

New for 2026, Year 6 have, this week, started a 'Dragon's Den' project. In teams of 5 or 6, they have devised, researched, and are in the process of ordering, the materials they will need to create a product which they will advertise and then sell at two end of day sales in the playground in a few weeks' time. The excitement is huge, and it has been great to see the teamwork already working well. We look forward to seeing where they go with their companies!
