

Wind in the Willows

RIVER WALK

NEW DATE Thursday 15th October

We will be going on a river walk to sketch the river and natural surroundings. These will then be used in art where we will be utilising materials for a collage/watercolour.
(WEATHER PERMITTING)

What are we up to?

- We are now at the final stage of our Wind in the Willows adventure - writing our own version. This is either in a story board format or as an A4 book. We have edited and improved and are now budding authors and illustrators in our own right.
- Following on from Place Value, we have now entered the world of addition and subtraction up to 4-digit numbers with multiple exchanges.
- In preparation for our river walk, we will be addressing the importance of water safety.
- We are currently learning colours and numbers.

Individual School Photos

On Thursday 15th October Geoff, our wonderful school photographer from Lawrence Godfrey, will be coming to take individual school photographs of the children at our Brockham site. Unfortunately, this year we will not be able to provide the opportunity for sibling photographs.

SO PROUD!

We just wanted to commend the children for their efforts since we returned. It is lovely to see them playing, laughing and most importantly working very hard. They have adapted well to all of the changes now in place.
Well done to everyone!

All children need to be accessing TTRS on a regular basis. All assignments are linked specifically to their individual times tables requirements and are checked daily.

Spellzone is now up and running. All children can access using their normal log in details. Go on to 'My School List' to find the spelling focus linked to spelling strip in your reading diary.

Complete 2-3 activities each week.

E.g. Au1 Week 3/'ssion'

<https://www.spellzone.com/>

This is now a weekly homework.

Reading Books/Diaries.

It is important that the children arrive every day with their reading book & diary.

HOMEWORK

This Friday 9th October, the new task will be uploaded to TEAMS and the children can submit their finished homework on the site.

Due date is 14.10.20

To be able to continue our outdoor learning experiences that the children fully embrace, we would like them to have a named pair of wellingtons in school – in a plastic bag to go on to their pegs. This will ensure that all of the wonderful outdoor opportunities can carry on.
