

# Autumn Nights

by Sara Fox

Autumn nights are magical,  
Autumn nights are fun,  
So wrap up warm,  
And go outside in the dark!

Pumpkins with their orange glow  
And happy zig-zaggy grins,  
Ghosts and witches knock on doors  
Hoping for yummy sweet things.

Autumn nights are magical,  
Autumn nights are fun,  
So wrap up warm,  
And go outside in the dark!

Rockets zoom up to the sky,  
Bonfires hot, with dancing flames  
Whistle, crackle, bangs so loud,  
Children with sparklers write their names.

Autumn nights are magical,  
Autumn nights are fun,  
So wrap up warm,  
And go outside in the dark!
