

Incredibly, we have already been back at school for six weeks! At this point, we must congratulate the children for their sensible approach to the new norm. As winter approaches please ensure that your child always comes to school with a coat and warm outer clothing on PE days.

Ensuring that the classrooms remain well ventilated means that it can be quite chilly indoors too!

Computing

As we are working under the Covid Guidelines and Regulations, it is not possible for the children to access any ICT learning within school.

Please encourage your child to take advantage of school subscriptions and spend some time on the various sites to which they have login access.

COMING UP

Here is the new Spelling Rule:

Adding suffixes beginning with vowel letters to words ending in -fer the -fer is no longer stressed.

e.g.

referee,
preference,
difference,
suffered,
inferred,
referred,
transferred

speling mistakes

History - starting our unit of work on life in World War II, focussing on The Battle of Britain;

English - flashback writing, with a wartime flavour;

Maths - fractions, starting with simplifying fractions and finding equivalents;

Grammar - Using expanded noun phrases to develop description and convey complicated information concisely.

At North Downs Primary, we believe that all the children should experience the unique and special nature of being outdoors; aiming to help them to use the outside environment for learning. Therefore, with this in mind, we will be having some Outdoor Classroom time during the week starting 2nd November. Over this week, please supply a change of shoes and a waterproof coat.

Thank you for such patience during our first steps into Teams Online homework. Over the Half Term, we will get these glitches sorted!

**HAVE A GREAT
HALF TERM!**
