Edition No. 5

KEEPING WARM IN CLASS.

As the weather is getting colder, it is advised that the children wear extra layers under their uniform e.g. tights, vests, t-shirts.

This is essential as the classrooms have to be well ventilated because of Covid and typically have all windows open and most days the main and classroom doors.

What are we up to?

In maths we are continuing to study multiplication and division.

In English, the children are about to plan and write their own version of Kit Wright's Magic Box poem.

In science we are looking at teeth and the digestive system and its functions.

In PSHE we are looking at celebrating difference and celebrating our unique qualities.

In topic we are studying the Anglo Saxons and the Scots.

STORY EXPLORERS

Top authors join Story Explorers: a new podcast for kids, by kids | National Literacy Trust

We launch a brand new children's radio and podcast series Story Explorers, all about stories for 7 to 11-year-olds, available on Fun Kids.

Parent Consultations

Information was sent out by Mrs Douglass this week about how to book your parent evening slot. Because of Covid, this is a video chat at an allocated time. Each slot lasts exactly 10 minutes. Many slots have already been allocated.

Spellzone is now up and running. All children can access using their normal log in details. Go to 'My Task' to find activity that will be linked to the current spelling rule.
