

As you know, North Downs have signed up to WOW, a programme to promote exercise and well being. To find out more go to livingstreets.org.uk/wowlaunch.

We are Learning:

- English -About excitable Edgar and poetic verse.
- Art - Making observational drawings of winter trees through observational drawings in pencil, charcoal and collage.
- Maths - Comparing and ordering groups of objects and numbers to 20.
- Geography; Learning about the different types of weather and how that affects what we do and what we wear.
- Phonics - split diagraphs; 'a-e' saying 'ai' and 'i-e' saying 'ie'.
- LOfC. Making fires and keeping safe around a fire. Christmas crafts; cutting wood with a bow saw.

Homework

A huge well done to everyone who has managed to complete the homework tasks. Keep up the good work.

Penguins and Puffins have been having fun making snow globes and thinking about amazing adjectives and verbs they can use in their writing!

Christmas.

On Friday 6th December could the children in both classes please bring in either a Christmas Jumper or hat.

OUTDOOR LEARNING

Making observational drawings of winter trees and learning about fire!
