

Year 1 Learning Letter

Friday 26th June 2026

Well done to all the children for a super Sport's Day. We hope you enjoyed it as much as us. The children took part on a very warm morning and did very well. It was great to see the whole year group get together and cheer on their friends. We were very proud of them.

Phonics screening check. This was be done by your child's teacher 1:1. You will be given the result of this along with their end of year report in July.

We will be having a DT afternoon on Tuesday 7th July 2026. Please can your child bring in two boxes (each, no larger than a cereal box), and turned inside out no later than Friday 3rd July 2026. Please ensure these are named. We will be designing and making our own Tudor buildings. If you have straw or hessian to create a roof, please pass on to your class teacher.

We will be learning...

English - Recounts; through diaries and newspaper reports about the Great Fire of London

Maths - Time and direction

Art/DT - Becoming architects!- beginning to build

PSHE - Jigsaw Piece - Changing Me (Please note that the children will be introduced to new vocabulary related to this unit of work)

Religion - Why stories are important to people.

Science - Summer and how this affects the plants and animals.

History - The Great Fire of London

Computing - Animated Stories

PE - Golf and outdoor games

Move up Day **Wednesday 1st July**

Next week your child will be joining their new class teacher. We know for some children this can be daunting so we will be doing lots of lovely transition stories with your children in class. We look forward to talking with them about Move up Day when they are back with their Year 1 teachers.

We are currently learning a song about the Great Fire of London. Here is the link if your child would like to practice at home.
