

# Year 4 Learning Letter

Friday 12<sup>th</sup> March 2021

Edition No. 8

## At last!

Well, it's been a long, long time but finally we are all back together. In this transition period we are very aware of the focus on wellbeing and happiness and understand that many of the children will have concerns and worries. The Year 4 team are there for them, to support, encourage and nurture so that their days will soon be back to normal and they can enjoy being with their friends and learning in a safe, friendly environment.

Red Nose Day is back on Friday 19<sup>th</sup> March and this year it's never felt more important to have some fun and raise money to support people living incredibly tough lives. We need the power

of

funny to turn laughs into lasting change.

Find out how Reigate resident Billy Monger has been pushing himself to the limit to raise money for Comic Relief <https://www.comicrelief.com/rednoseday/challenges/billy/>

Next Friday we invite the children to come to school dressed as a superhero, or in mufti with crazy hair or jazzy socks in return for an online donation via Tucasi of £1 or more. We'd love to hear their best jokes to make us laugh too!

We have started out new topic in English - 'Newspapers'. This amazing unit culminates in the children producing their own group newspaper.

In Maths we are continuing our journey into fractions and decimals. Presently we are converting tenths into decimals and familiarising ourselves with using a place value grid that includes tenths and hundredths.

## THE ROMANS

In art we are going to be using our mosaic patterns to produce a mosaic print. This involves using paint and special printing blocks.

**spellzone**  
The online English spelling resource

<https://www.spellzone.com/>

This is now a weekly homework.

**DON'T FORGET TO GO ON AND WORK ON YOUR TASKS😊**

## Home Learning:

Until after the Easter break, we would like the children to just go on to Times Tables Rock Stars and Spellzone. This decision has been made as we are aware of the enormous effort with home learning and accessing and working on TEAMS activities.
