

How the time has flown whilst we've been getting back into school life this half term. The children have amazed us with their hard working attitudes, smiles and positive outlooks. Our Jigsaw sessions are definitely helping us all to feel calm, talk about our feelings and various topics. Next half term our new focus is 'Relationships'. Please see the accompanying document which is an overview of this Jigsaw unit.

National Curriculum spelling words and spelling focus

Our current list of spellings are in your child's diary, along with the current spelling focus, which are the prefixes 'mis' and 'dis'. These are words which change a root word to a negative.

'Mis'

misspell
mistreat
misplace
mislead
mistrust
misprint

misbehave
misuse
misprint
misheard

dislike
discover
disallow
discontinue

'Dis'

disobey
disappear
disbelieve
discolour
dishonest
disapprove

Forest School and Outdoor Learning

Over the last couple of weeks both classes have had the opportunity to visit Poland Woods for Forest School and had an extra outdoor learning session at school too! Each class will have another session in the final week of term. They have had great fun exploring, solving problems, working and sharing together and of course enjoying the weather and being outdoors! If you happen to have any gardening tools that are spare, we would love to have some more donated.

We Are Learning About....

- Maths - Fractions (tenths, fractions on a number line, fractions of objects and equivalence)
- English - Performance Poetry
- Science - What do plants need to grow
- Online safety
- History - time line of Stone Age to Iron Age
- RE - What does it mean to be a Hindu?
