

Our newspaper unit is gathering pace. All of the children have produced at least one news page each and are really becoming efficient when writing a report in past tense. By the end of term all papers should be complete.

The children have worked incredibly hard during this unit, taking great care with their presentation and illustrations. All of the reports are their ideas entirely. We will make an A4 black and white copy for them to bring home.

PSHE

Our next topic is focusing on relationships.

Please find attached more information about this topic - Parent Knowledge Organisers.

SCIENCE

We will be continuing to look at states of matter. This week we investigated evaporation and condensation.

MATHS

The children have worked incredibly hard on fractions and decimals. We are continuing with decimals and moving on to money.

spellzone
The online English spelling resource

<https://www.spellzone.com/>

This is now a weekly homework.

DON'T FORGET TO GO ON AND WORK ON YOUR TASKS☺

Don't forget to go on please.

Home Learning:

Until after the Easter break, we would like the children to just go on to Times Tables Rock Stars and Spellzone.
