We have really enjoyed the start of our summer term. We are so proud of our children! They are looking so grown up and are very engaged in their learning.

As part of our topic on where we live, we have enjoyed looking at photographs of our houses and talking about the different building materials. Please send in a photo of your house for our display if you haven't already done so. We have also talked about houses in different parts of the world, so if you have a family member who lives in a different country, please send a photograph of their houses so that we can compare them.

Over the last week we have…

- Observed changes as seeds grow.
- Shared the story of the 3 Little Pigs.
- Learnt the names and simple properties of 2d shapes.
- Looked at different types of houses.
- Talked about families using our Jigsaw PSHE curriculum.

Over the next 2 weeks we will….

- Share stories of Percy the Park Keeper.
- Say one more/one less using numbers to 20.
- Revise adding and subtraction through problem solving.
- Measure our plants to check for growth.
- Sort building materials.
- Learn the names and simple properties of 3d shapes.
- Build houses for the 3 little pigs.
- Share alternative versions of the 3 Little Pigs story.

REMINDER FROM FONDS

Class Logo competition now live! Please purchase your entry voucher at www.pta-events.co.uk/fonds. All designs can be emailed to fonds@northdowns.surrey.sch.uk .We can't wait to see all the wonderful designs.

Reminders

- Some children are now in summer uniform. Please still send in a coat if it is cold or wet.
- Please continue to let your child handle real coins at home.
- Please ensure your child is ready for the sun – school sun hat and cream on at home in the morning. No sun cream should be brought into school.
- Please note we can **only** have hand sanitiser, hand cream, lip balm etc. in school if it has been prescribed by a doctor and is handed in at the office in its original pharmacy packaging.
