

Year 1 Learning Letter

Friday 10th July 2026

This is our last learning letter of Year 1, and we would like to say a **massive 'thank you!'** to you and your children for working so hard! It has been an absolute pleasure to work with such happy, motivated, and resilient children and we wish them every success for Year 2.

Now is time for that final push to the end of a brilliant year.

Have a wonderful summer holiday!

Miss Chinery, Mr Crosbie and all the Y1 team!

Reminders

Your child will be bringing home their school report today. Please also look out for their SEN passport if applicable.

Please send your child to school with a carrier bag on Monday 13th July for their exercise books. Any books that don't come home will be passed up to be used at the start of Year 2.

We break up for Summer on Tuesday 21st July at 1pm.

Maths

Recently, we have started to look at telling the time, coins and notes, which some of the children have found challenging. It's not surprising as so many payments are done online and contactless these days!

Here are some games to support this learning.

You could also gather some coins together to play shops at home too.

Or go to the shops in town.

Ways to help your child this Summer:

1. Enjoy your Numbot logs and keep practicing the KIRFs from this year.
2. Continue spelling practice on the Year 1 National Curriculum words that we began this academic year, there are more to learn in Year 2!
3. Keep reading! All Surrey libraries offer a fantastic Summer Reading Challenge to help children keep reading over the break. It is free to sign up to your local library, and the theme for the challenge this year is 'Read to the Beat'. Children will discover diverse musical genres and cultural influences through specially curated reading lists and engaging activities that celebrate the connection between storytelling and sound.

End of our topic..

In Design and Technology we have been designing and building our own Tudor houses, linked to our learning about the Great Fire of London. We were very impressed with their work!

INSET Days for 2026-27:

Tuesday 1st September 2026

Monday 4th January 2027

Monday 26th July 2027

Tuesday 27th July 2027

Wednesday 28th July 2027
